PRADEEP K. SINHA

मंत्रिमंडल सचिव  
भारत सरकार  
CABINET SECRETARY  
GOVERNMENT OF INDIA

D.O. No. 631/2/1/2016-CA.IV

Dated : 3<sup>rd</sup> February, 2016

Dear Secretary,

As you are aware, all Departments are required to update information in respect of Central Sector infrastructure projects costing Rs. 150 crore and above on the Online Computerized Monitoring System (OCMS) portal of Ministry of Statistics & Programme Implementation. Separately, Project Monitoring Group (PMG) maintains a portal for mega projects (anticipated investment of Rs. 1000 crore and more) of public and private sector. While the OCMS focuses on statistics, time and cost overrun and reasons thereof, the PMG portal has the focus on resolution of issues/bottlenecks. Therefore, the objectives of these portals are complementary.

2. In the interest of better project management, you are requested to ensure that information on the projects is regularly updated on the OCMS portal. All projects of Rs. 1000 crore and above, which have any issues/bottlenecks, should also be reported immediately on the PMG portal pending an automatic reporting mechanism to be developed in the OCMS software itself. A Joint Secretary level officer may be identified as a Nodal Officer responsible for getting information updated on OCMS and PMG portals.

3. You are also requested to please conduct regular reviews of all infrastructure projects in your Department and indicate the outcomes in your monthly D.O. letter.

*With regards,*

Yours sincerely,

*P.K. Sinha*  
(P.K. Sinha)

*As per list*
